

Community of Choice...for Location

Located in the Greater Toronto Area (GTA), more than two-thirds of the Canadian market, and a third of the American market are within a day's drive or an hour's flight.

Whitby has excellent access to:

- major highways
- railways for freight and passenger service
- airports
- intermodal facilities
- shipping ports
- US border crossings

GO Transit offers daily rail and bus commuter service throughout the Greater Toronto Area (GTA) and Whitby will soon be serviced by Highway 407, currently undergoing expansion.

Community of Choice...for Business

Fast Fact A market of over 120 million people can be found within a day's drive or one-hour flight from Whitby.

Location [continued]

Air travel and air cargo shipping needs are provided by two nearby Toronto airports (Pearson International and Toronto Island) and one local regional airport (Oshawa)—all less than an hour’s drive.

Other inbound and outbound global shipping opportunities include deep sea ports in nearby Oshawa, Toronto and Bowmanville and also intermodal facilities in Vaughan and Brampton.

The following map illustrates Whitby’s central location and connection to Ontario’s network of highways, railways, intermodal and air services, which are fully integrated with the US market:

Whitby affords easy access to the following Canadian and American cities and US border crossings, for example (km):

Canadian Cities	Ontario/US Border Crossings	US Cities
Toronto	Fort Erie/Buffalo	New York
48	211	813
Montreal	Queenston/Lewiston	Chicago
510	200	884
Ottawa	Windsor/Detroit	Boston
365	435	906
